The Messenger is published monthly by Worthington United Methodist Church, P.O. Box 307, Worthington, OH 43085 (614-885-5365). Friday, June 15 is the deadline for the July Messenger. To submit your article, drop it off or email it to Jessica Sapp at [jessica@worthingtonumc.com](mailto:jessica@worthingtonumc.com).

Take a moment, breathe deeply, regain energy from a busy month of May. Now get ready for an exciting summer full of opportunities!! A quick look at the Summer Brochure will give you lots of ideas to put on the calendar.

Please note the Animal Blessing is moved to 11:00 am on June 2. We are hopeful to invite persons at the Memorial Day Parade to this and to Vacation Bible School. If you would like an invitation to give to someone please check in the office or at the welcome desk, and begin inviting.

In addition to welcoming Rev. John Ma, his spouse Christine, and their daughter, Anastasia, beginning July 1<sup>st</sup>, we will also be hosting Ryan Schellenberg, Assistant Professor of New Testament at Methesco as he writes during his sabbatical. Ryan will join us for worship on June 3 and then return after some travel to use one of the offices off the Commons Area to work on his project. He will be leading some educational opportunities for us in the months to come. He describes the work before him in this way:

*Many people know that Paul wrote his letter to the Philippians while in prison. But what was prison like in Paul's time? And how is Paul's experience of prison reflected in his letter? My research project focuses on prison as a context for interpreting Paul's letter to the Philippians. I'm working to uncover what we can know about prison in the ancient world—living conditions, legal functions, and also cultural assumptions and stereotypes people had about prisoners—and then to show how understanding this context helps us make sense of Paul's letter. Part of the project too is to think about those who are in prison in our own society and how remembering early Christian experiences of incarceration might affect our attitudes toward prison and prisoners today.*

You will be hearing more about Ryan's work and opportunities to learn from him in the days to come. For those of you who have signed up to be in the initial team for the Northland Outreach, we will be gathering in early July.

A big THANK YOU to all our choirs for a wonderful music season. Take a peak in this Messenger to see the special music that will be filling our summer! Plan to participate and enjoy. With summer comes 8:30 am Worship in the Potter Chapel on Sunday mornings and frequent Outdoor Emerge Worship. For the month of June we will hope to be outside at 11:15 am on June 17 and June 24.

Summer holds surprises and venues for experiencing God's Spirit in delightful, fanciful, fun-filled, refreshing ways. Your Staff looks forward to being in ministry with you during this wondrous time.

-Cyndy

Are you moving soon or no longer needing any household items? Start saving clean and gently-used items and donate them to the UMW's annual church rummage sale this FALL! We will be accepting donations from Sunday, October 21 until Wednesday, October 24. Please keep in mind that that we cannot accept any furniture, computers, non-cable ready TVs, adult clothing & shoes. However we will accept children's clothing up to size 5T (small hangers for children's clothing would also be greatly appreciated). Dear family and friends  
of WUMC,

Your loving and messages  
have given me support  
and encouragement. I am  
lifted up by your calls,  
cards, and visits. I know  
you are praying for me  
and it makes me strong. I  
feel your love and send  
you my love.

*Ellie Jones*

*A Soldier's Prayer:* Please God, Grant them courage, when times are bleak.  
Grant them strength, when they are weak.  
Grant them comfort, when they feel all alone.  
And most of all, God, please bring them home.

The needs of the soldiers from our church, and others from central Ohio, are many. Through the efforts of our Worthington United Methodist Women, the local Blue Star Mothers are able to provide many care packages to those who serve throughout the world.

Soon their needs will be different as our weather changes. Please consider choosing items from the list below. **A complete list of suggested items and the drop-off box for donations can be found in the church office.**

Fly paper; deodorant, dental supplies, grooming supplies; puzzles (crossword, word search, Sudoku); pens and pencils; positive and informative articles from newspapers, magazines – used or new (science, cars, history, comics); jokes, decks of cards, photos of interest (our zoo, community event, new changes/buildings, etc); LED book lights, books; dried meat sticks and meat jerky, cans of nuts, packages of cheese and peanut butter crackers, Pringles; hard candy.

This effort is on-going.

Your support is important to our soldiers and their families. **THANK YOU!**

# Outreach: Opportunities to Make a Difference!

The Community Breakfast ministry at Gates Fourth UMC is growing. On one of our Saturday Community Breakfast events, we were visited by a group of members from “The Church Next Door” in Hilliard. Along with several other churches in the area, they have a ministry called “Supplies on Wheels”. They collectively gather common items such as soap, shampoo, tooth, hygiene and other necessities and hand them out to people from their vehicles in several locations downtown. Valerie suggested they start bringing their donations during the Gates Fourth breakfast time every fourth Saturday and this has proven to be a welcome and successful addition to our current ministry. The group was delighted to have a place to set up and the church was happy to have an additional resource. A win for everyone.

## **Blessing of the Animals, Saturday June 2, 11 a.m.**

*“Good People are good to their animals,” Proverbs 12:10, The Message*

We welcome all God’s creatures to a brief and informal musical worship service held rain or shine on the front lawn of the church. Cyndy and John will give a personal blessing and bandana to your favorite family pet. There will also be a moment of silence and a rose in memory of family pets who are no longer with us. Please bring your dog, cat, bunny, pony, pig, hamster, gerbil, fish, frog; any critter that’s part of your family! Invite your friends and neighbors to come along as we welcome the community into our circle of faith. Come early or stay late and enjoy meeting the pets of your WUMC family, have a picture taken with your pet, and enjoy other activities. Tim Berridge will provide enjoyable music before and during the service. A freewill offering of dog food or cat food will be gratefully accepted and donated to the Sedona Grace Foundation which will enable our neighbors in need to keep their pets in their homes. Sedona Grace provides Canine Care packages and cat food to 10 food pantries in the Columbus area, including Worthington and NNEMAP.

If your pet was blessed in years past, please join us again this summer.

We hope to see many of you on Saturday, June 2 at 11 a.m.!

### **Summer Concerts on the Lawn**

Concerts on the Lawn - Summer Series begins June 17! Bring a blanket or a lawn chair, a picnic or a pizza from Dewey’s (or ice cream from Graeters) and enjoy a summer evening of music with family or friends on the west lawn, with Emerge guitarist Tim Berridge, and other visiting summer musicians. Concert on the Lawn dates are June 17, July 8, August 19, Sept 16. Concerts will start at 6:00pm and end by 6:45pm, with plenty of time to walk north to the Village Green for the 7:00pm Worthington Village Green concerts.

Keep watching for additional details, as each month will feature a different style of music, and time for requests too!

### **“What’s the Buzz?”**

The next meeting of the “What’s the Buzz” book club is scheduled for Tuesday, June 19 at 2:00 p.m. in Dixon Lounge. All book-lovers are welcome. (At the last meeting, the club read [A Country for All](#) by Jorge Ramos and two copies are available in the church UMW section of the library.) For this meeting, please read a book from the UMW reading list, or come and hear about what others are reading. Refreshments will be served. Hope to see you there!

**MARK YOUR CALENDARS** to join the Open Hearts Team on Saturday, June 16 to walk in the Pride Parade in downtown Columbus. The parade will start mid-morning (timing TBD), although we will gather at our starting location much earlier. Additional details will be coming in the Sunday tri-folds and June Messenger as the date nears. As a reminder, the Open Hearts Team encourages opening wide the doors of our hearts and minds to include all of God’s children, especially those who may feel marginalized. Please consider lending your support to this team.

Please contact Matt Mallory for additional information.

## 2018 High School Graduate Scholarship Recipients

Each year, WUMC gives out scholarships to high school graduates who are members of our congregation. Seniors apply through an essay application along with listing the ways that they have been active within the church and their communities, especially through outreach and service. This year, five seniors showed exemplary qualifications to receive a scholarship to support their future college careers. The essay portion of the application was given in response to the question, “Why do you think service to others is an important part of the Christian life?” Excerpts from their essays are below.

**David Boord** – “Service is a fulfilling act of kindness that benefits everyone involved: the receiver is shown compassion and love to pass onto others, and the giver is content because they were able to help people and follow in Christ’s image.”

David has been active within the church by attending both ReachOut and Work Camp as a youth, helping at VBS, regularly attending Impact, and is a member of our Youth Leadership Team. Through school David has participated in many community service projects, including raising \$21,407 to the Leukemia and Lymphoma Society for the Student of the Year Campaign. David will graduate from Worthington Kilbourne High School and is attending The Ohio State University in the fall to study Environment, Economy, Development and Sustainability.

**Jason Bowen** – “My group worked to prepare the pantry for the open doors the next day. All types of people were there. As I helped people, I started to talk with them. I learned that they are each like me; they are still all everyday people. That particular service project taught me to be more understanding.”

Jason has been active within the church by being a part of Impact, helping at VBS, attending both Work Camp and ReachOut, and finished his senior year by doing hours at the church for the Worthington Kilbourne HS’ Senior Project. Jason is an avid soccer player both through school and club teams, and will continue that passion at Wittenberg University in the fall. Jason will be double majoring in Exercise Science and Sports Management.

**Olivia Burrier** – “Bringing service to others is an important part of the Christian life because when you are selfless and help those who are in need, you shine God’s light through you to others. God wants us as Christians to care for one another, always providing help to those who need it most.”

Olivia has been active within the church by helping provide childcare within the church, participating in both ReachOut and Work Camp, regularly attending Impact and helping at Hanging of the Greens. In the community she has volunteered for a children’s reading program through the Worthington Rec Center, helped at the Worthington Library, and devoted much of her time to the tennis program at TWHS. Olivia is graduating from Thomas Worthington High School and the Linworth Alternative Program. She will be attending Bowling Green State University in the Visual Communication Technology program.

*Continued on next page*

**Stephanie Gilton** – “My reason for serving was not because I would be praised for it. It was simply because I knew if I was in the shoes of the people I was helping, I would appreciate those things being done for me. I would appreciate the kind gesture and the hearts of those who see no gain in doing something for someone else, but only the idea that their selfless act warmed another soul’s heart.” Stephanie has been active within the church through attending both Work Camp and ReachOut, regularly attending Impact, and has shared her gift of music in our worship services. Stephanie is heavily involved in marching band and other various groups, but her passion is art. She is graduating from Dublin Coffman High School and will be attending Kent State University studying Painting and Drawing through the fine arts program.

**Jenna Shearer** – “Being joyful is a big part of being a servant! What is really cool about serving is finding other Christians with the same passion as you when it comes to walking the walk of the Christian life. This makes service more meaningful and provides support and encouragement to continue to serve.”

Jenna has been an active part of the church through teaching K-1<sup>st</sup> grade Sunday School, providing childcare for the church, regularly attending Impact and church camps, and is a part of our Youth Leadership Team. Through the community, Jenna has volunteered at the Ohio State School for the Blind, is a freshman mentor and helps on the yearbook committee. Jenna is graduating from Thomas Worthington High School and will be attending Kent State University in the fall to study Nursing.

*Thank you to the Roger Ball, Carl F. Brey, Kim McBrayer, William T. and Kristine J McComis, Crandall Shaffer, William T and Kristine J. McComis, Crandall Shaffer and J. Robert Tarbutton funds for contributing to our endowments and allowing WUMC to support these wonderful seniors!*

We are proud to honor those who are a part of our congregation who have recently graduated at the collegiate level or higher:

**Jaimey Dudley:** Bachelor’s degree from the Farmer School of Business at Miami University

**Steve Gentil:** Master’s degree in Leadership in Education from Miami University

**Madison Hickman:** Bachelor’s of Science in Nursing from Stephen F. Austin State University

**Wesley Hickman:** Bachelor’s of Business Administration in International Finance from Stephen F. Austin State University

From all of us at Worthington UMC, congratulations on a job well done! May you feel accomplished and proud of all the hard work and effort you put into this chapter of your life.

May your success continue to flourish through you!

Early Saturday, April 21, 2018, eight WUMC members left for a one-day adult mission trip to the Hocking Hills area and Camp Otterbein, one of the UMC's camps. The group included Brad Arensberg, Frank Birinyi, Ken Evans, Jerry Knorr, Russ Line, Eric Oldenburg, Duane Snyder, and Aura Whittaker. It is noteworthy that WUMC is the longest tenured work group at Camp Otterbein.

After sufficient coffee and doughnuts, the group met with Camp Director Scott Seese to review the project details. The project involved winterizing one of their cabins. (The camp is open year-round.) The cabin had eight very sturdy bunk beds which had to be moved around in order to give us room to work. The inside walls, including around the windows, were to be framed to provide a level surface for plywood. This was in preparation for subsequent crews who were to install electricity and insulation and then finally attach plywood sheets to the framing. By the end of the day, both sides of the cabin were completely framed, except for some trim work around three windows. A section of one end of the cabin was completed as well.

A nice lunch was provided by the Camp not only to our group, but also to a Grove City Trinity UMC men's group who was at the Camp for a weekend retreat.

Two members of our group completed a "Hammock City" project. Previously, 9 posts had been planted in concrete, the upright posts at the intersecting points of a 4x4 grid. Eye bolts were secured in place on each post. In total, almost 20 hammocks could be easily attached in "Hammock City", in a variety of configurations. The church van was used for transport, and we arrived back at WUMC at 5:35 p.m.

Sign up now for the next adult mission trip. The dates are August 26 – 31, 2018. We will be working at The Nehemiah Mission of Cleveland. They are a United Methodist Church Mission. Their mission is to rebuild the lives and homes of the physically and fiscally challenged of Cleveland. We worked there the last four years. It was a great place, and it's not a long drive. If some of you would like to go for just a couple of days, we can probably make that happen. The last date to sign up for this mission trip is August 12, 2018. If you have any questions, please contact Russ Line.
